ALL BREED CLASS DESCRIPTIONS:

All Breed English

Appointments: Hunter style equipment including balanced seat or forward seat saddle, and snaffle, pelham, kimberwick bits. Martingales and draw reins are prohibited. Mane and tail may be braided in traditional hunter style. No discrimination will be made against a full, unbraided mane or tail. Fitted white saddle pads. No flash or dropped nosebands, no boots or wraps of any kind permitted. Rider attire: Breeches, field boots, collared shirt, riding jacket. Gloves are optional. Young children may wear jodhpurs and paddock boots.

All Breed English Equitation (hunt seat)

Pattern to be posted. Tests an exhibitors ability to ride – not the performance of the horse. Contestants work a predetermined pattern consisting of maneuvers such as changing gaits; travel in a figure-8 pattern; backing up as well as posting on correct diagonal and counter-cantering. Top riders return to be judged as they travel the perimeter of the arena performing gait changes at the judge's discretion. Emphasis is placed on ability to sit correctly, hold the correct riding posture and control the horse on a precise pattern.

All Breed Road Hack

To be judged at walk, trot, extended trot, canter, hand gallop both ways of the ring

All Breed Hunter Under Saddle (also known as English Pleasure)

A class for English riding disciplines in which judges evaluate a hunter-type horse on the flat, at a walk, trot and canter. Emphasis is placed on smoothness of gait, free-flowing stride and willingness to perform.

Hunter Hack

A transitional English class between hunter under saddle and working hunter. Horses are required to perform a pattern that includes jumping two fences. Then all exhibitors are asked for rail work at the walk, trot and canter both directions in the ring. Emphasis is on manner and way of going on the flat and style over fences.

All Breed Western Classes

Appointments: Western tack and any standard Western bit must be used in all classes. A standard Western bit is defined as having a shank with a maximum length overall of 8 2 inches. Mouthpiece must be round, oval or egg shaped smooth. Standard snaffle bits and Bosals are permitted in any class on a junior horse (five-years-old and under). Hackamore bits, cavesson type nosebands, martingales, and tie-downs are prohibited. Mechanical hackamores are prohibited. All boots and Wraps are Prohibited
Attire: Rider may wear properly fitting protective safety headgear without penalty from the judge. Exhibitors must wear appropriate Western attire, including long sleeve shirt with a collar, Western hat and cowboy boots. Spurs and chaps are optional.

All Breed Halter

Evaluates conformation of the horse. Horses are shown with a leather halter and are traveled before judges so that lameness and quality of movement can be evaluated. Horses are judged on balance, structural correctness, breed and sex characteristics and degree of muscling. Of these, balance is the most important.

All Breed Showmanship

Pattern to be posted. Designed to judge the showmanship skills of the exhibitors. Judges evaluate the grooming and fitting of the horse, and expertise of the exhibitor in presenting the horse. Each exhibitor is required to perform a pattern designed by the

judge with emphasis on preciseness of pattern and degree of confidence exhibited by the showman.

All Breed Horsemanship

Pattern to be posted. Designed to test the horsemanship abilities of riders using western tack. Divided into two sections, riders first follow a prescribed pattern of maneuvers at a walk, trot or lope. Finalists ride as a group around the perimeter of the arena. Judging focuses on the rider's body position, seat in the saddle and ability to control the horse.

All Breed Western Pleasure

Contestants compete simultaneously, traveling the perimeter of the arena, and at the discretion of the judge, are asked to walk, jog, lope and reverse the direction of the horse. Horses are evaluated on quality of movement while staying quiet and calm, traveling on a loose rein. Contestants compete simultaneously, traveling the perimeter of the arena, and at the discretion of the judge, are asked to walk, jog, lope and reverse the direction of the horse. Horses are evaluated on quality of movement while staying quiet and calm, traveling on a loose rein.

All Breed Trail

Pattern to be posted. Trail class tests the maneuverability of the horse through an obstacle course. Mandatory obstacles include one in which the rider will open, pass through and close a gate (walk/jog may not be required to open/shut gate). Scoring is based on the horse's willingness, ease and grace in negotiating the course. The other two mandatory obstacles are riding over at least four logs or poles and one backing obstacle.

Western Riding

Pattern to be posted. The horse is judged on its ability to change leads precisely, easily and simultaneously, using both hind and front legs. Patterns also include a log or pole, series of pylons and for the horse to change gaits – from a walk to a jog or a lope – throughout the course.

Ranch Riding

Pattern to be posted. In ranch riding, the horse is judged on its ability to work at a forward, working speed while performing required and optional maneuvers. The ranch riding horse should simulate a horse riding outside the confines of an arena and reflect the versatility, attitude and movement of a working horse.

Ranch Pleasure Riding

Pattern to be posted. Horse and rider work at more natural and forward gaits which are commonly used in ranch work. This class encourages a natural headset and extended gaits are often called for such as an extended walk, trot and lope. In this class, the judge(s) are looking for horses that have ground covering gaits that would be a good mount for a day working on the ranch.

Ranch Trail

This class, modeled on the Versatility Ranch Horse ranch trail class, tests the ability of the horse to negotiate obstacles that might commonly be found on ranches. Maneuvers may include riding over obstacles, opening and closing hinged gates, riding across bridges, backing, sidepasses and dragging objects. Horses cannot cross-enter regular trail classes if they are entered in ranch trail at the same show regardless of division.

CROSS OVER RULES FOR ALL BREED FROM AQHA

The addition of All Breed classes to our AQHA shows this year is to encourage new people to come out and show, and to provide a chance for Non-AQHA horses to show in an AQHA environment. It is not the intention for AQHA seasoned competitors or horses to show in these classes.

1. No horse/exhibitor combination showing in AQHA classes shall be permitted to show in any All Breed Classes, excluding futurities.
2. An exhibitor may show in AQHA classes AND also show a different horse in All Breed Classes so long as the second horse is not being shown in any AQHA classes by another exhibitor.
3. An AQHA horse may be shown in AQHA classes by one exhibitor AND shown in All Breed by another exhibitor, so long as the second exhibitor is not showing in AQHA classes on that horse or on a different horse.
4. Out of each horse/rider combination showing in All Breed Classes, either the horse or the rider (or both) must not be entered in ANY AQHA classes.
5. Futurity classes are open to AQHA and All Breed Exhibitors. However, an MQHA membership is required to compete in an MQHA futurity.

Examples:

- Sarah is riding Prince in AQHA Youth Equitation. Therefore Sarah can not ride Prince in any All Breed Classes. Sarah can ride her other horse Charley in all breed, but Charley can not be shown in any AQHA classes by Sarah or by anyone else.
- George is showing his AQHA gelding in yearling halter. George is also showing his mare Diva in All Breed. This is allowed but Diva can not be shown in any AQHA classes by George or by anyone else.
- Candace has a registered Quarter Horse but does not feel ready to show in AQHA classes. She can therefore ride her horse in the All Breed Classes. Her horse can be shown in AQHA classes by her trainer Bob, but Bob can not show in any All Breed Classes.
- Thomas is showing his mare in AQHA classes. His younger sister wants to show the horse in the all breed. This is allowed, but his sister is not allowed to show in any AQHA classes on this horse or any other.
