## Extreme Cowboy Trail Rules

1. A horse may NOT be shown by more than one person in a class
2. Horses may be of any breed.
3. It is the responsibility of the contestant to fully understand the rules, obstacles and the order of the obstacles prior to the beginning of the event.
4. All competitors are expected to compete within their individual capabilities.
5. Every horse shall be treated with dignity and respect!
6. **The official may prohibit the use of bits or equipment that he/she may consider severe. The official may disqualify a contestant for what they deem to be abuse. The Official's word is final and may not be disputed.**
7. Riders 18 years of age and under (as of January 1st of the current year) must wear a C.S.A approved helmet, properly fastened, in competition and on show premises at all times while mounted. Helmets are encouraged for all ages of competitors, and will not be penalized if worn .
8. Exhibitors will be allowed to walk the course prior to the event. No horses are allowed on the course during the walk through and no practicing is allowed on the course prior to or during the event. Obstacles and course rules will be reviewed at that time.
9. The course will be timed, and each obstacle will be scored. A combined score will determine final standings. The timer begins when the rider attempts the first obstacle/task, and the timer stops when the final obstacle/task has been completed.
10. If there is a tie at the conclusion of the event that involves the top placings, the winner is determined by the fastest time.
11. Each obstacle will have a 30 second time limit. Timer for each obstacle starts when the horse & rider first attempt the obstacle. If the time limit elapses, a whistle will be blown and the rider must move on to the next obstacle. The judge may allow the rider to continue provided the horse / rider was making substantial forward progress toward completing the obstacle when the whistle was blown.
12. If the rider does not complete an obstacle, points will be given or deducted based on his/her attempt. The judges shall not give an obstacle score of 0 (zero) if a valid attempt has been made.
13. If a rider skips an obstacle and begins the next obstacle (example: the rider completes obstacles 1-4 and skips 5 and begins 6) he / she may not go back to the obstacle that was skipped. If the rider does go back to the skipped obstacle at any time, it will be considered "off course" and result in a disqualification.
14. The rider will receive an obstacle score of 0 (zero) and a 30 second time penalty for any obstacle that is skipped.
15. Should a horse leave the parameter of the course or the rider is not able to catch his / her horse unassisted and remount within 1 minute, the rider is disqualified.
