Halter Points - Grand champion must have a total of one more point than any other horse (half a point for reserve) in the division. IE: 7 horses in aged, and 2 in performance. If performance horse wins the grand gelding, they are awarded an extra 6 points for a total of 8 overall points (2 from the class + 6 extra). If aged horse wins they would only receive one extra point for a total of 8 (7 from the class + one extra). Ties are broken by the horse that has the most overall wins.

- + 1 points higher than any other horse in division (Grand)
- + .5 point higher than any other horse in division (Reserve)
