

FACILITIES

- **Barns**
 - Exhibitors & horses will be grouped by the barn they are associated with (barn bubbles).
 - Each bubble will be assigned a certain area of each barn and will be directed to use only one entrance into & out of the barn to help improve traffic flow & minimize contact between barns. All individuals, except emergency personnel and show management, are required to use the entrance/exit closest to your stalls.
 - Access to each barn is restricted to only those assigned to that barn (with the exception of emergency personnel and show management). You must not enter any barn other than the one to which you are assigned.
 - Aisles must be kept clear to allow for easy passage while maintaining proper physical distancing.
 - Shavings should be ordered in advance so they can be delivered to your stalls before you arrive. Payment (cash or cheque only) must be payable directly to PLP but all payments for shavings must be given to the show office and they will forward the funds to PLP. All shavings payments must be received by the show office no later than 3:00pm on Saturday.
 - We will also try to develop trailer hookup bubbles as best we can but recognize this may not be 100% possible due to the limited number of full service hookups.
 - Once stalls and trailer hookups are assigned you will not be permitted to change them.
- **Main Arena/Outdoor Rings/Warm Up Areas**
 - Please be respectful of physical distancing guidelines while in the arena and maintain as much space as possible between you and other horses/handlers.
 - You are required to limit the number of people accompanying you to the competition arena and comply with all physical distancing guidelines while there.
 - There will be a designated in-gate to enter the main arena and a separate out-gate to improve traffic flow and promote physical distancing.
- **Washrooms**
 - PLP will be responsible for cleaning and maintaining the washroom facilities and we must, therefore, follow all rules laid out by PLP which include:
 - Only 1 person at a time can be in each washroom.
 - Outer washroom doors should be left propped open, if possible, to reduce contact.
 - Showers will be locked and unavailable for use.
- **Food Services**
 - There will be no food services on site this year. Please ensure you make alternate arrangements.
- **Main Arena Building**
 - You are required to maintain proper physical distancing at all times while in the main arena building. This includes the stands, the hallways, the washrooms, and the stairs up to the show office.
 - You are required to maintain proper physical distancing while seated in the stands. Please sit only with your barn bubble and leave adequate spacing between you and other barn bubbles.

- If physical distancing cannot be maintained while anywhere in the main arena building, than masks must be worn.
- We cannot ensure that common surfaces are properly disinfected between users (i.e. wash racks, wheelbarrows, pitchforks, etc.) so it is highly recommended that you use only your own equipment.
- We cannot ensure that other commonly touched surfaces (water taps, door handles, etc.) are properly disinfected between users so it is highly recommended that you use disposable gloves or sanitize your hands both before and after touching these surfaces before touching anything else.
- Portable hand wash stations and hand sanitizer will be available for use on site.

SHOW OFFICE

- Only 2 people will be allowed in the show office at any one time (NOTE: this is in addition to the staff – secretary, announcer, etc.) You must sanitize your hands before entering the show office and proper physical distancing must be observed at all times within the show office. You are strongly encouraged to wear a mask while in the show office. Please do not unnecessarily touch anything in the show office.
- Special COVID-19 waivers must be signed and the standard COVID-19 questionnaire must be filled out, signed and dated. Temperatures will be taken in the show office. This is in addition to our standard waiver.
- The show office must be given a list of all people who will be on the show grounds as wrist bands will be issued to exhibitors and those supporting them. This is required for contact tracing purposes.
 - No one is allowed to pick up your wrist band for you as the special COVID-19 questions must be answered & waivers signed.
- Anyone not wearing a wrist band will be asked to leave the show grounds immediately so it is vitally important that all people attending the show check in with the show office as soon as they arrive to receive their wrist band. Different colour bands will be used to designate the different barn bubbles.
 - We ask that you please be respectful of the current situation due to COVID-19 and limit the number of necessary people you bring with you to the show.
- It is important that you print your own patterns and class lists and bring them to the show with you. If the show office has to print something for you, you will be charged for the item(s) as we will not have copies available.
- Patterns and orders of go for applicable classes will be posted on Facebook and on the bulletin boards within each barn. Please be mindful of physical distancing guidelines when checking these boards.
- Scribe sheets will not be available for viewing in the show office. They will be posted to Facebook.

GENERAL

- All attendees at the show are required to respect physical distancing guidelines as dictated by the government of New Brunswick. Good hand hygiene and face masks are strongly encouraged. Individuals not respecting these guidelines may be asked to leave the show grounds.
- All attendees at the show are required to respect posted signage and comply with the rules and regulations outlined by show officials.
- Face masks are strongly encouraged to be worn at all times while on the show grounds and are **REQUIRED** if you cannot maintain proper physical distancing. Please note, if government guidelines change between now and the date of the show you may be required to wear a mask at all times so it is strongly advised you bring a mask in case you need one.
- No formal social events will be permitted on the show grounds.
- If the Atlantic Provinces bubble is revoked due to a spike in cases, we will cancel the show and refunds will be provided.
- If you do not comply with the rules and regulations outlined by the show staff, you may be asked to leave the grounds and no refunds will be issued.
